

**GARDEN GROVE UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

KERRI WEISENBERGER

AGE: 44

OCCUPATION: Community Volunteer/Parent

Over the past three years, GGUSD has gained national recognition for student achievement. Students are consistently exceeding state and national averages on standardized tests. Test scores have improved dramatically; the direct result of high academic standards and challenging curriculum. I believe in what our district is doing and want to continue in this direction.

My three children have all attended Garden Grove schools. Presently, I serve as a PTA president, a music booster club president, School Site Council representative, and as a volunteer at the schools my children attend.

I've served on many school (PTA, Distinguished School, WASC), and district committees (Site Utilization, Report Card Task Force, drug curriculum recommendation), where I gained valuable experience that will enable me to be a strong School Board member. I've invested my time and talents in our schools for the past twelve years.

I was selected by the Superintendent to represent district parents when the Broad Foundation visited GGUSD. I have expertise in a wide variety of areas related to the district and I want to use that expertise as a School Board member.

When elected, I will make sure our children are prepared for their future.

Committed to education,

Kerri Weisenberger
